Whatever the case, stressing about medical bills is the last thing you need.

Commerce Bank gets it. That's why we offer **Health Services Financing (HSF[®])** – to help you budget for healthcare costs so you can keep moving forward.

How It Works

Not all patients are able to pay their out-of-pocket expenses in full right away. Participating in Commerce Bank's Health Services Financing (HSF[®]) program makes your life easier by allowing you to pay medical bills over time, through **monthly payments.**
