2020-2021 OFFICIAL SCHOLARSHIP APPLICATION

Thank you for your interest in the Mayci Breaux Scholarship Fund offered by Lafayette General Foundation. This scholarship encourages aspiring students to continue their academic career in radiologic technology.

.....

This scholarship was established in memory of Mayci Breaux, a radiologic technology student whose life was taken during the Grand Theatre shooting on July 23, 2015. The scholarship will be awarded to the student(s) who most exemplify Mayci's academic excellence and love for life. Mayci was a softhearted person who put everyone and everything before herself. She knew she wanted to be an ultrasound and radiologic technologist since she was in Junior High School. Her interest in science and anatomy inspired her to achieve academic excellence. Her love for taking care of people, especially babies, was in her heart. Mayci worked very hard to be the best she could be. But, above all, her love of family, friends, classmates and her radiologic technology teachers, was her guiding light. All in all, Mayci was one of a kind.

**Now the question is, are you a one-of-a-kind? Are you a dedicated student deserving of this scholarship? If so, then please follow these instructions and submit your application.**

**Applications for the 2020-2021 award year are due Friday, August 28, 2020, by 5 p.m.** The expected award date is September 11, 2020, and public announcement of the winner(s) will be made September 25, 2020.
